Fees and Charges

Parks and Recreation fees and charges are necessary to provide financial support to the Seattle Parks and Recreation for the operating costs of programs, facilities and grounds. The revenue generated by these fees constitutes only a portion of funds required for operating and maintaining the Parks system. All fees collected from parks and recreation activities and concessions are used exclusively for the Parks system as these funds are deposited in the Parks and Recreation Fund, not the City General Fund.

The pro-rated class fee plus a service charge of \$5.00 or 10% of the fee, whichever is greater, will be retained by the facility. If a participant drops a class after the second session of a series, no refund will be given.
